Re: Smith

November 20, 1981

Dear SHIRLEY Researchers,

Re: SMITHs

For several years I corresponded with the late Boyce S. Mitchell of Honea Path, South Carolina re MITCHELL, SHIRLEY, SMITH, BRANYON, ARMSTRONG-- all the allied "Shirley Kin". I do not have a direct MITCHELL ancestor in either of my SHIRLEY lines, but I do in the CLAYs. About 1708 HENRY CLAY (an earlier one than "The Statesman"-- his great grandfather, in fact) married MARY MITCHELL, daughter of WILLIAM and ELIZABETH MITCHELL of Swift Creek, Henrico Co., Va. Since Boyce had "a" WILLIAM MITCHELL who married as his second wife ELIZABETH HARRISON (sis to his first wife, Ann Harrison), I was trying to find out if they were one and the same. We decided that they probably were, but no proof. I'm still working on that!

His MITCHELL lineage ran like this:

I. Abraham Mitchell, b. ca 1627; d. 1697; md. ca 1650 Jane Taylor IN VA.

II. William Mitchell, b. ca 1652; d. 1720; md. (1) Ann Harrison IN VA. d. Essex Co.
(2) Elizabeth Harrison d. Bandon NC

III. Abraham Mitchell, b. 1680; d. 1746; md. ca 1705 Ann Middleton IN VA.

IV. Benjamin Mitchell, b. 1717; d. 1799; md. Keziah Hunter ca 1737 IN N.C.
(She was also born in Va. and died 1809, S.C.)
lived Edgecombe Co. NC - Chester Co. SC Black River in Camden Dist SC

Their children were: (All born Edgecomb Co., N.C.)

George Mitchell, b. ca 1739; d. ca 1817, S.C.; md Nancy _____
William Mitchell, b. ca 1741;
* Nimrod Mitchell, b. ca 1743; d. 1790, S.C.; md. Mary E.A. Penn IN NC
Nicholas Mitchell, b. ca 1745
Sarah Mitchell, b. ca 1747
Benjamin Mitchell, b. ca 1749; d. 1816, S.C.; md. (1) ?
and married (2) Judith Moore Cobb IN SC
James Mitcehll, b. ca 1751
Mary Mitchell, b. ca 1753
John Mitchell, b. ca 1755; d. 1806, S.C.; md Dicey
Stephen Mitchell, b. ca 1757

Dmitt

"Nimrod Mitchell, b. 1743; d. 1790 S.C., married Mary A.E. Penn, b. in Va. in 1747; d. 1818, S.C. These were the parents of WILLIAM MITCHELL (1768-1821) (Boyce's ancestor), who was born in North Carolina near the Virginia line, Edgecomb Co. William and Mary (Penn) Mitchell came to South Carolina, settling in Laurens Co. Their son WILLIAM MITCHELL married CHLOE SMITH, daughter of CALEB SMITH who died 1778, Prince William Co., Va. Chloe Smith was born Nov. 5, 1772, Fauquier Co., Va. WHERE HER BIRTH WAS RECORDED IN THE REGISTER OF THE BROAD RUN BAPTIST CHURCH.

The other SMITH children who were known to have come to South Carolina were a brother, BENJAMIN SMITH who married WILLIAM MITCHELL's sister, MARY MITCHELL; a sister, LETTICE SMITH who married Benjamin Northcutt, a Baptist preacher known to have held pastorates at Poplar Springs in Laurens Co. and at Neal's Creek in Anderson Co. . . . "

(Ref: MITCHELL-PEARMAN FAMILIES OF SOUTH CAROLINA, a booklet privately published in 1967 by Boyce S. Mitchell, Honea Path, S.C.)

In VIRGINIA WILLS BEFORE 1799, p 89 and 90 can be found the Will of CALEB SMITH: (Abstract)

SMITH, CALEB
Prince William Co., Va.: Will filed Sept. 7, 1778
Wife: Sarah

Son, Jeziah Smith (Was this "Joseph" of S.C.?)
Son, Nimrod Smith (To S.C.; joined THE TURKEY CREEK CHURCH.)
Son, Aaron Smith (Md. Rachel Montgomery in S.C.?)
Son, Banjamin Smith (To S.C.; Md. Mary Mitchell, sis to Wm., below.)
Dau., Mary Smith
Dau., Nancy Smith (Was this "Elizabeth" who married James Shirley?)
Dau., Clary Smith (Married a "Cullins"?)
Dau., Lettice Smith (To S.C.; Md. Benjamin Northcutt.)
Dau., Chloe Smith (To S.C.; Md. William Mitchell.)
Dau., Rebecca Smith

(Ref: "Virginia Wills Before 1799", by William Montgomery Clemens, Reprint by The Genealogical Publishing Co., Inc., Baltimore, Maryland, 1977.)

Notice that Boyce Mitchell made the statement that CHLOE SMITH's birth was recorded in the REGISTER of THE BROAD RUN BAPTIST CHURCH, Fauquier Co., Va. I have never seen the REGISTER! And although I asked Boyce for a copy of it, I never did receive a copy. Is there one? The CHURCH MINUTES we have-- Bettye Speed furnished them, but if there is a REGISTER, I certainly would like to SEE it!

Do any of you write to Esther (Shirley) Mitchell of S.C.? I think I noticed that she was at the Convention in Lexington. I wrote to her years ago-- at the insistance of my Aunt Annie (Shirley) Hill of Fort Worth, Texas, and Esther referred me to Boyce-- a 1st cuz by marriage; so I do not correspond with her. If any of you do, see if you can at least find out WHERE the REGISTER of THE BROAD RUN BAPTIST CHURCH can be found! WE NEED IT! (Esther is a desc. of Banj.; have lost her address.)

And now on with the SMITHs:

The BENJAMIN SMITH who married SUSANNAH SHIRLEY, daughter of RICHARD SHIRLEY who died in 1796, Scott Co., Ky. belongs to WHICH SMITH? It's bound to be this same SMITH family!

According to the Chart Marion O. SHIRLEY of Indianapolis sent (enclosed), Susannah SHIRLEY and Benjamin SMITH were the parents of AARON SMITH, --b. 7/22/1800, Ky. who married Frances Thomas, granddaughter of JAMES SHIRLEY (d. 1801, Barren Co., Ky.)

And by the way, Marion, IF SUSANNAH SHIRLEY were actually born in 1796, she would have been only 4 yrs. old when her son, AARON SMITH, was born! That was a typo, I'm sure. I figure her birthdate as ca 1776, as follows:

RICHARD SHIRLEY (Brother to John of SC, James and Thomas of Ky.)

Born: ca 1740/41, "Virginia" (Northumberland Co.?); lived in Prince William Co., Va. prior going ca 1784 to S.C.; belonged to THE BROAD RUN BAPTIST CHURCH across the line in Fauquier Co., Va.; md. in Va. to MARGARET _____, who was evidently the "Sister Shirley" whose death is recorded in the Minutes of THE TURKEY CREEK BAPTIST CHURCH, Abbeville Co., S.C. in 1794; Richard md. ca 1795 to DORCUS, the "Widow Cullins", and moved to Scott Co., Ky.

Died: 1796, Scott Co., Ky., Intestate; Adm. Papers only mentioned his wife, Dorcus, and three daughters: Sarah who married Henry Holtzclaw, Susannah who married Benjamin Smith, and Amey, unmarried.

CHILDREN of RICHARD SHIRLEY and his two wives, "Margaret" First wife: and "Dorcus".

RCB's — Benjamin, b. ca 1762, "Virginia" (Updike says "at Calfpasture, Culpeper Co., Va." , but this can't be right! Maybe Augusta Co., Va.?); was supposed to have been at Yorktown at the Surrender; came to S.C. in 1784 (Land Grant); md. ca 1786 to ELIZABETH HUGHES, daughter of James and Rachel Hughes of Abbeville Co., S.C. (from Va.); he d. 1824, SC.

(Nancy Hanks?) — ___?___, b. ca 1765, Va. (Probably remained in SC, also)

(Leanah Smith?) — ___?___, b. ca 1767, Va. (Probably remained in SC, also)

SO WHY AM I INTERESTED IN SMITHS?

I have a SMITH Ancestor, that's why! Through "my" BRANYONs, as follows:

I. ALEXANDER BRANYON, b. 1746, **Belfast, North Ireland; arrived SC on "The** Earl of Hillsborough" in 1768, and received a Land Grant of 150 acres on the waters of the NW fork of Long Cane, on a branch known as Hogskin Creek, Abbeville Co., South Carolina. There was evidently only one child born in Ireland, but with the records (most of them) of Abbeville Co., S.C. having been lost in fires, the names of only three children of ALEXANDER BRANYON are known. The name of his wife was "Mary"; **their 3 known sons were:** Henry, Thomas and John.

II. HENRY BRANYON, b. ca 1767, North Ireland; d. 7 Feb., 1820, Abbeville Co., S.C., Intestate. His name is written "Henry J." or "Henry Y.". He married ca 1788 in S.C. to AGNES ELLIS. daughter of James and Elizabeth (Lindsay) Ellis, and granddaughter of the immigrant ROBERT ELLIS who also came with his family on "The Earl of Hillsborough" along with the BRANYONs and LINDSAYs. AGNES ELLIS was born ca 1771, in S.C.

III. THOMAS W. BRANYON, b. 1807, near Due West, Abbeville Co., S.C.; his Will was dated 10 Mar., 1870 and was probated 18 July, 1883. (d. ca 1882). He married ca 1834 to ELIZABETH SMITH, b. 1 Feb., 1812 and died 29 Dec., 1872 (Family Bible Records). (Nothing is known about her parents, but I do have a picture of her-- a rather nice looking lady! I'll see if my Copier will do her justice! These were the parents of SARAH JANE BRANYON who married PINCKNEY MARTIN-- who were the parents of MY Grandmother (Alice Lavonia Martin) SHIRLEY, wife of JAMES CALHOUN SHIRLEY who brought his family to Fort Worth, Texas in 1893.)

No PLACE of birth was given in the family records for "my" ELIZABETH SMITH. IF she were born in South Carolina, the PLACE was probably Abbeville Co.

Bill Bagwell, until recently a professor of Sociology at Cheney College, Cheyney, Pa-- now retired and has moved back to the old "Martin Homeplace" near Due West, S.C.-- wrote that "my" ELIZABETH SMITH's father was RICHARD SMITH, but that hasn't helped me, much; I can't find a SMITH with a son named RICHARD! Updike, in her book entitled ARMSTRONG, BRANYON, BRYSON AND ALLIED FAMILIES OF THE SOUTH, privately published in 1967, says that "my" ELIZABETH SMITH's GRANDfather was named RICHARD SMITH-- but that doesn't help, either!

"My" HENRY BRANYON's brother JOHN BRANYON, b. 17 June, 1781, near Due West, Abbeville Co., S.C. married MARGARET. U.-- thought to be surnamed SMITH. The descendants of the three known BRANYON brothers, Henry, Thomas and John, sons of Alexander and Mary Branyon of Belfast, Ireland, married right and left with the SHIRLEYs-- and "Shirley Kin"! (As my Grandfather SHIRLEY used to say, "Before the Civil War EVERYBODY in South Carolina was RELATED"!)

Updike shows (in her "Shirley Book") that JOHN SHIRLEY who married ELIZABETH BARMORE had a son named JAMES SHIRLEY, b. 1769, "Virginia" who married ELIZABETH SMITH. She was said to be a sister to "an" AARON SMITH, b. 22 Apr., 1775, "Virginia". This AARON SMITH married 24 Sept., 1803 to Rachel Montgomery; no "place" given, but since their children were born in S.C., the marriage probably took place in S.C.-- they lived in Anderson Co. This must be the AARON SMITH who was listed as a son of CALEB SMITH who died in Prince William Co., Va. in 1778. Boyce Mitchell gave CHLOE SMITH's birthdate as 1772. (Remember? She married William Mitchell ca 1788, Abbeville Co., S.C.) (These SMITHs evidently came to South Carolina WITH the SHIRLEYs! On THE TURKEY CREEK Records can be found: Joseph Smith, James Smith, Benjamin Northcutt, Nimrod Smith, CLARY CULLINS (nee SMITH?) and LEANNAH SMITH (nee SHIRLEY?) and SARAH SMITH (the widow of CALEB SMITH of Pr. Wm. Co., Va.?) (There was a MARY SMITH, too.) (Educated people-- JAMES SMITH was chosen "to do the writing"!) (See THE TURKEY CREEK RECORDS sent in by Claude Bouchillon.) (And CHLOE MITCHELL "by experience", 1812.)

It would seem that most of the children-- and the widow-- of CALEB SMITH of Prince William Co., Va. came to South Carolina! I don't know who JOSEPH SMITH was. Could he have been the one called "Jeziah" in the Abstract of Caleb's Will? Was "James" his son? Did one of these SMITHs have a son named RICHARD? (Mine?) ANYBODY have SMITH records?

But "WHO" was CALEB SMITH? He was bound to have had a father and a mother! My next project is to research SMITHs of VIRGINIA-- to find one who had a son named CALEB!

One thing bothers me-- how did the given name NIMROD get into the SHIRLEY family if there had not been a MITCHELL/SMITH/SHIRLEY connection prior South Carolina! In Virginia there was a NIMROD MITCHELL and a NIMROD SMITH. The only NIMROD SHIRLEY I have found was was in the JOHN SHIRLEY/ELIZABETH BARMORE line-- through the son named JOSHUA SHIRLEY who married ELIZABETH LONG. Maybe there was a LONG/SMITH/MITCHELL/ SHIRLEY conncetion prior S.C.? (Joshua Shirley/ Elizabeth Long were the ancestors of both Bettye Speed and Claude Bouchillon.)

Also the given name BENJAMIN! The only other "Benjamin" (besides the descendants of "my" BENJAMIN) I have found is the one who was a descendant to the Spotslylvania SHIRLEYs (wasn't that where I found him?). So perhaps "our" MARGARET-- the first wife of RICHARD SHIRLEY was either a MITCHELL or a SMITH? But how did "that" Spotsylvania "Benjamin" get his name? Do you know, Dorothy? Lauralynn? (Glad to hear from you, Lauralynn! No SMITHs?) But anyway, I shall spend my time in the near future researching SMITH and MITCHELL. (By the way, Claude, could your HARRISON SHIRLEY be from a possible MITCHELL ancestor-- who married into the HARRISON family-- such as that WILLIAM MITCHELL who married sisters: Ann Harrison and Elizabeth Harrison, the ones I claim for "my" CLAYs? Did some of your LONGs marry Mitchells?)

I've gotta quit! I'm going crazy! HAVE A HAPPY THANKSGIVING! And a MERRY CHRISTMAS-- if you don't hear from me between now and then!

Always,

Ruth

John Mitchell, son of William, was next in line. He was b ca. 1793 m. Lucretia Mattison, a doughter of John Mattison and Grace Latimer, and a sister of Gabriel M. Mattison metioned elsewhere. Grace Latimer was an aunt of Delilah Latimer, wife of William Mitchell, son of Wm. & Chloe Mitchell. John Mattison's will dated Mar. 1, 1834 died Feb. 25, 1839 no filing date given. Among other sons-in-law was to account for, etc. Grace lived until 1857 and was buried in the old Bethesda Church Cemetery located slightly over a mile from the afore mentioned cross-road. John Mattison's grave was evidently there, but vandals have destroyed the crypt. Grace also drew a will, not probated for lack of the proscribed number of witnesses. It is among the administrator's returns and mentioned 8 children of John Mitchell, none named.

John Mitchell lived in Anderson County in the early 1840's, disposed of several tracts of land. Where and when he died is not known. Lucretia was back in Abbeville County in 1850 having three minor children with her--Nancy 16, Benjamin 11 and Emaline 9. Lucretia was 45 and was married 23 Jan. 1822. John owned a tract of 120 acres on Hencoop Creek which was bought in 1823. There were three other parcels of land which were located on Seneca River, Rocky River and Big Generostee Creek. The last sale was made in 1846.

BEFORE THE MAYFLOWER -- JOHN YARDLEY - After unsucessful attempts to settle Jamestown, a second charter was granted by JAMES I to a number of business men on the 23rd day of May 1609 among the 129 members were at least one each of the following: Shirley, Pratt, Hopkins, Burton, and Barnard & Isaac Mitchell. No claim is made by the compiler of being a descendant of either of these men. However, so many Mitchell's had Bibical names, such as Abraham, Benjamin, Nimrod, as well as many of the more common Bibical names, it would not be surprising to know that the above Isaac was the grandfather of Abraham Mitchell, first known forebear of the Mitchell's under consideration.

SMITH

Dear All,

RE: Caleb Smith (Dick Vogt's request)

The enclosed Smith material may concern the Caleb Smith whom Dick Vogt is interested in. These pages are from the GLASS COLLECTION at Clayton Library here in Houston.

The GLASS COLLECTION represents the original work of Mrs. Catherine Cox Gottschalk (deceased), and notes and correspondence by Mr. George Harrison Sanford King and Mr. George W. Glass. Mr. Glass worked at the Library of Congress for many years after World War II, but returned to Houston some time before his suicide in about 1975. Mrs. Gottschalk's work is by pica type and Mr. Glass's work is usually by hand, a way of distinguishing one from the other. Most of Mr. King's work was ultimately returned to him, and at Mr. Glass's death, his mother presented his collection to Clayton. There are about fifty-five books about two inches thick in the collection, and it is fascinating but frustrating to work with it because of Mr. Glass's experimental charts, of which there are many, one never knows which, if any, he decided was the correct lineage, since he didn't publish anything except articles in some of the quarterlies on Virginia families, as did Mrs. Gottschalk and, of course, Mr. King. Clayton's staff put it together in a jumbled manner, and it isn't indexed. Mr. King wrote me that Mrs. Gottschalk's works are rare, particularly these early abstracts, and he said that Mr. Glass was an astute analyst.

I thought you needed the above background about the eminent genealogists involved in the GLASS COLLECTION in order to have some faith in it.

It has been in Clayton only about two years and then it was out for almost a year for cataloging at the Central Library. I understand it has been back at Clayton for about six weeks. Before they carted it off for cataloging, I was able to copy four one-inch binders. I was looking for a different set of Smiths, and by no means copied all Smiths, but I'll ~~keeping~~ looking through my binders, and maybe one of these days I'll get back to Clayton. Mr. King wrote me that the Smiths that I'm interested in (Linton/Hancock/Berkley/Barton/Harrison/etc.) went en masse to Mason Co., Ky., and that a Mrs. Boss, now deceased, wrote a Smith history and turned a copy in to the DAR library and gave a copy to the library at Maysville. I got nowhere, of course, with the DAR library without a genealogist, and the Maysville library wrote me that they got some of Mrs. Boss's works but that the Smith history was not among them. I believe Mr. King said he had a copy.

not long ago
There was an article/in "The Cavalcade," the official quarterly of the Virginia State Library, about "Extra Billy" Smith, if anyone is interested.

My bestest,

Dorothy Thrawley

FAUQUIER COUNTY, VIRGINIA, DEEDS 1759 – 1778

Compiled By John K. Gott

Fauquier County was created in 1759. It is one of the few Virginia counties to have all of its deed books extant. The abstracts herein are taken from the first six deed books and include a variety of records – such as leases, bonds, contracts of sale, mortgages, and apprenticeships – in addition to deeds. Each abstract gives the names of the grantor(s) and grantee(s) as well as all other individuals mentioned; slaves, when named, are included, also; geographical features are listed but the metes and bounds of the tracts of land are not; page numbers identify the placement of the original records for the researcher who may want to do further reading.

METHODOLOGY IN THE COMPILATION OF THE MEMBERSHIP OF THE "GREAT CROSSINGS BAPTIST CHURCH" SCOTT COUNTY, KENTUCKY

By Louis M. Applegate

A copy of the original membership list, page 1 through 6 by Joseph Willson (#30) was put on paper in the sequence given and became L-1, and the basis of the subsequent numbering system. The second membership list written by James Johnson (#37) is on pages 41 through 46. These names were put down in the sequence given and became L-2. The two lists were compared, and by omitting the duplicates in L-1, male and female, (except as noted) made the numbering in both lists identical.

Instead of modernizing the spelling and combining into one list, it was decided to maintain the original spelling as near as possible in both L-1 and L-2 for the following reason: During the 1700s the majority of adults still could neither read nor write and of those who did write, most but not all, spelled phonetically. When it came to scribing (writing) a person's name, it was entered precisely the way the person spoke at that time and circumstance, which gives rise to the many different spellings today of a given name. From 1635 to 1800, seven different spellings of this compiler's name has developed. Those readers interested in the finer points of genealogy may be interested in using this compilation in tracing when their name became spelled in the manner it is today. The different spellings are included in the index of List 1 and 2, both male and female.

The minutes, pages 7 through 40 were then gone through and the names and dates they were admitted to membership were extracted, then numbered from the membership list. Names in the minutes but not on L-1 or L-2 were labeled "NE". The names taken from the minutes only became L-3 and L-4.

Joseph Willson entered all the names in L-1 except the first 8 for both sexes. It appears he was a better scribe than bookkeeper. Prior to March, 1800, many names were not entered in the minutes at all. The erratic listing of names, male and female, is illustrated in L-3. Note the date the member was admitted, and where he or she appears numberwise on L-1; i.e., George Oldam was admitted May 7, 1796 and was #48 on the list. Thomas Osburn, #49, was admitted 5 months EARLIER, but not listed until AFTER Mr. Oldam. It appears that Nicholas Long, #58, who was admitted 12-5-1795, but was not listed until sometime between March, 1798 and March, 1800. The women's list is also erratic. Elizabeth Long, #67, was admitted 12-5-1795 but was not entered until after March, 1798. The minutes through December 1806 were later obtained and incorporated. See Page 1, paragraph 4.

METHODOLOGY IN THE COMPILATION OF THE MEMBERSHIP OF THE "GREAT CROSSINGS BAPTIST CHURCH" SCOTT COUNTY, KENTUCKY

By Lucia M. Applegate

COMPILATION OF MEMBERSHIP OF THE "GREAT CROSSINGS BAPTIST CHURCH"

SCOTT COUNTY, KENTUCKY

JUNE 1, 1785 TO EARLY 1801

List (L)-1 is from the first 6 pages of the Minute Book and constitues the original membership generally in order of admission, with certain noted exceptions up to but not including October 31, 1800. The male members of this list stops at #105 and the female at #102. Male members #106 through #109 and female members #103 through #106 who were entered in the minutes of October 31, 1800 but not yet entered on the Membership roll by J. Willson are entered in L-2 with his spelling noted. It is not known when Joseph Willson (#30) was first elected as clerk of the church records and responsible for the membership roll, but his handwriting starts with #9 male and female and ends on October 31, 1800. The first 16 members (8 male and 8 female) are entered in what appears to be William Cave's handwriting.

Page 7 through 40 of this book contain the minutes of strictly church business from November 7, 1795 through March 7, 1801 and is the basis for lists 3, 4, and 5 for known dates of admission, dismissal and exclusions. The original minutes of this church for June, 1785 through October 1795 no longer exist.

Page 41 through 46 is the membership roll by James Johnson, who was elected clerk of the church records on Ocrober 31, 1800, and effective as of November 1, 1800. He copied Joseph Willson's L-1 verbatum, except for the spelling, including the same omissions [NE] then added new admissions to the membership roll as they occurred, starting with October 31, 1800. This combined list is L-2. There are numerous but noted differences in spelling between L-1 and L-2 -- enough so that both lists should be compared by individual number. The original second list is followed by 5 columns labeled "Baptized, rec'd by letter, dismissed, dead, and excluded." The "Baptized and rec'd by letter" are included in L-3 male and female and the "dismissed & excluded" are in L-4; the deaths are on p. 30.

Pages 47 though 127 of original minutes were later obtained and incorporated in this compilation. Page 47 is blank, pages 48 and 49 name the servants and their owners, page 50 through top of page 55 are the minutes (copied from other books and not original) from the first Saturday, December 1793 through first Saturday, June 1794. Page 55 continues with the minutes of the 15th day of November, 1800 and continues through the first Saturday, December 1806 on page 127.

The Register of the Kentucky State Historical Society vol. 34, 1936, pages 3-21 and 173-195 under the title "The Great Crossings Church Records, 1795-1801" contains a transcription of the first 62 pages of the existing minutes to 7 March 1801.

INDICATED MARRIAGES FROM THE MINUTES

There are many suspected husband/wife combinations based on closeness of membership numbers and/or matching surnames in these listings, but they should not be taken literally unless verified; i.e., Elizabeth Applegate #37 is the younger sister to Benjamin #36 and daughter of Richard #37. Richard is a documented progenitor of this compiler. Benjamin's wife, Phoebe Grimes Applegate, apparently did not join this church, nor did Benjamin's younger brother, Daniel.

NEW INFORMATION re: BENJAMIN SMITH & THOMAS SMITH

BENJAMIN SMITH's middle name PRESTON?

Was listed as "Preston Smith" - 1850 census, Hendricks Co.IN--living in home of son Aaron....ae.81 yrs.b.VA....Could be some kind of error. Aaron had son PRESLEY Thomas Smith (after his other gr.father)--erroneously listed same census as "PRESTON T."

Several Smiths used middle names....ie: Benjamin T. was "Taylor"; John W.-- "Washington", etc

JOSEPH & LEANNA SMITH - summary of new information.

[See notes from minutes of Broad Run Bap.Church (Fauquier Co.VA) and Turkey Creek Bap.Church, Abbeville Co.SC. -- sent previously.]

1. Jos. and Lean. parents of THOMAS SMITH?

[see additional Broad Run Church records below.]

2. Jos. & Lean. parents of LEWIS SMITH who poss. married Argeland Shirley's dau. Nancy. Lewis to IN with Benjamin & Thomas Smith, et al. (add'l Brd.Run records; Long Lick Church (KY) minutes below. Hndrks.Co.IN cns. also below.)

BARREN CO. SMITH CHILDREN, IN SCOTT CO.

James & Menoah (sons/o Benj. Smith) and Reuben (s/o Thomas Smith) in Long Lick church, Scott Co.KY, 10 yrs. before both Barren Co. & Scott Co. Smiths and Shirleys came to IN. Also poss. Sarah, d/o Benj. with Menoah & Reuben. (Lng.Lk.mins)

CALEB & SARAH SMITH - summary of new information

[See Broad Run Church and Turkey Creek Church records sent previously]

1. Caleb and Sarah were not too old to be parents of Benjamin Smith.

2. Caleb's VA ancestry.

Additional Miscellaneous -- marriages and other relationships.

DETAILS OF ABOVE SUMMARIES:

BROAD RUN CHURCH RECORDS INCLUDE THESE BIRTHS: (not found before because they were located after several blank pages in the very back)

"Chloe Smith, dau.of Caleb Smith, b. 5 Nov 1772"
.....[Have been concerned that Caleb & Sarah were too old to be parents of Benjamin, but Chloe's birth in 1772 shows they were not; in fact, dau. Rebecca may have been born after 1772, judging by order named in Caleb's LWT.

"John Smith, son of Joseph and Leannah Smith, b. 6 Dec 1772"
.....[Learned nothing else about this John. Not in KY church records. A John Smith on Barren Co. tax lists 1794 and 1797; d. 1809-10; estate not settled until 1822. wfe was Martha]

"Thomas Smith, son of Joseph and Leannah Smith, b.14 Feb. 1775"
.....This HAS to be our Thomas in Barren Co.KY and Hndrks.Co.IN, b.1770-80 (1830 cns. Hndrks.Co. IN; b. VA acc.to lvng. chn.in 1880]

[Nancy Shirley, wfe.of Thos, b. 1 Nov 1779 VA; d. Hndrks.Co.IN aft.1850 cns.]

"LEWIS SMITH, son of Joseph and Leannah Smith, b. 27 Feb 1777"
.....[Lewis m. Nancy Shirley, d/o Arge Shirley?...More about Lewis below.]

Joseph Smith: b. VA--appears to be about age of Argeland Shirley, who was christened 1756, Northumberland Co.VA
m. Leanna Smith c.1770 VA; she d. aft. Dec 1814 when Jos.LWT prvd.
d. 20 Jan 1810 - Dec 1814 - LWT dtd,pvd.

[Another Joseph Smith, d. 5 Apr. 1826 Scott Co. KY -- noted in minutes of Long Lick Bapt.Church, Scott Co.KY.
...try to get LWT or record of heirs from Scott Co.]

LWT names: wfe Leanna
dau. Sarah Winscot [Isaac? LL minutes]
son John Smith [VA 6 Dec 1772]
Thomas Smith [b.VA 14 Feb 1775]
Moses Smith
dau. Priscilla Cobb [Thomas (v) LL mins.]
son .....(Lewis?) Smith [VA b. 27 Feb 1777]
dau Lucy (Lucinda) Roberts [Azariah (v) LL mins)
Anna Smith
son .....ben Smith (Reuben?)
sons Lewis and Moses Smith, exrs.

1. Besides 3 sons above, COULD also be parents of Moses and Elisha ELISHA INCORRECT (below)....

2 .Had assumed this Joseph was probably the "Jeziah" named in Caleb Smith's LWT, because "Joseph" was in Brd.Run and Turk. Crk. Churches, and "Jeziah" was not.

Is that assumption too far fetched? If Jos. is not s/o Caleb, there are other possibilities...see Caleb's VA ancestry below.

3. If Caleb is not father of Benjamin Smith, is Joseph? --Obviously not now!

Add'l Brd. Run Bapt. Church records - Fauquier Co.VA
1. Found on membership list that Caleb Smith was dec. before 1783,therefore apparently was same as Caleb who d.1777-78 in Pr.Wm.Co.VA

2. Also Lettice Smith on the membership list died 1 Oct 1783 and is not the same as the Lettice d.of Caleb who married Benj. Northcutt in SC.

Correction: Turk. Crk. Bapt. Church records - Abbeville Co.SC
Concerning info already sent, I realized I had assumed "Mary Smith" was the wife of James Smith, s/o Caleb and Sarah. I noted that James Smith was dismissed for KY with no wfe. mentioned. This Mary could have been his sister.

VA. RECORDS re: Caleb Smith

CALEB SMITH (Jr) LWT dtd.15 Jul 1777; prvd. 7 Sep 1788, Pr.Wm.Co.VA named wfe.Sarah; sons Isaac, Jeziah, James, Nimrod, Aaron and Benjamin; daus. Mary, Clary, Lettice, Chloe and Rebecca. [Repeated from material previously sent.]

CALEB SMITH (Sr.) LWT dtd. 15 Jun 1725; prvd. 28 Jul 1725, Westmoreland Co.VA names wfe. Elizabeth; eldest son John; son Caleb; "my five children" and brother John. .....[Would you interpret this to mean there were five other children besides John and Caleb?...or 5 chn. including John and Caleb?]

NEW THOUGHT--It looks to me as though there should be another generation between these two Calebs...what do you think? Caleb s. of Caleb Sr. would have to have been of age in 1725. If Caleb in Caleb Sr.'s will was b. c.1700, that would make him well into his 70's when his youngest children were born.

Other VA records show ...

1. Caleb Sr.was named s.of THOMAS SMITH in LWT of Zacheriah Hines Mar.1697.
2. Caleb Sr. m. 1st Ann Bailey; and his brother John m. Ann's sister Mary Bailey. (LWT Basil Bailey 1694).

Broad Run in months following--CALEB SMITH, SARAH SMITH, Richard and Margaret Shirley, JAMES SMITH, LETTUCE SMITH, Mary SMITH and Susanna (Cockrell?) Shirley (wfe.of Argeland).
Dismissed with this group to "go south".

Signers of Covenant of Turkey Creek Baptist Church, Abbeville Co. These families dismissed to go to KY 1791-94.

Members of Great Crossings Bapt. Church, Scott Co.KY before 1796 --James, Thomas, and Richard Shirley and wives; and JOSEPH and MOSES SMITH. Joseph transferred to Long Lick church Jan 1822 with ARCHIBALD SMITH. His death noted in Long Lick Church minutes.

NEW INFORMATION re: BENJAMIN SMITH & THOMAS SMITH

BENJAMIN SMITH's middle name PRESTON?

Was listed as "Preston Smith" - 1850 census, Hendricks Co.IN--living in home of son Aaron....ae.81 yrs.b.VA....Could be some kind of error. Aaron had son PRESLEY Thomas Smith (after his other gr.father)--erroneously listed same census as "PRESTON T."

Several Smiths used middle names....ie: Benjamin T. was "Taylor"; John W.-- "Washington", etc.

JOSEPH & LEANNA SMITH - summary of new information.

[See notes from minutes of Broad Run Bap.Church (Fauquier Co.VA) and Turkey Creek Bap.Church, Abbeville Co.SC. -- sent previously.]

1. Jos. and Lean. parents of THOMAS SMITH?

[see additional Broad Run Church records below.]

2. Jos. & Lean. parents of LEWIS SMITH who poss. married Argeland Shirley's dau. Nancy. Lewis to IN with Benjamin & Thomas Smith, et al. (add'l Brd.Run records; Long Lick Church (KY) minutes below. Hndrks.Co.IN cns. also below.)

BARREN CO. SMITH CHILDREN. IN SCOTT CO.

James & Menoah (sons/o Benj. Smith) and Reuben (s/o Thomas Smith) in Long Lick church, Scott Co.KY, 10 yrs. before both Barren Co. & Scott Co. Smiths and Shirleys came to IN. Also poss. Sarah d/o Benj. (Long Lick mins. below)

CALEB & SARAH SMITH - summary of new information

[See Broad Run Church and Turkey Creek Church records sent previously]

1. Caleb and Sarah were not too old to be parents of Benjamin Smith.

2. Caleb's VA ancestry.

Additional Miscellaneous -- marriages and other relationships.

DETAILS OF ABOVE SUMMARIES:

BROAD RUN CHURCH RECORDS INCLUDE THESE BIRTHS: (not found before because they were located after several blank pages in the very back)

"Chloe Smith, dau.of Caleb Smith, b. 5 Nov 1772"

.....[Have been concerned that Caleb & Sarah were too old to be parents of Benjamin, but Chloe's birth in 1772 shows they were not; in fact, dau. Rebecca may have been born after 1772, judging by order named in Caleb's LWT Broad Run minutes Births con't

"John Smith, son of Joseph and Leannah Smith, b. 6 Dec 1772"

.....[Learned nothing else about this John. Not in KY church records. A John Smith on Barren Co. tax lists 1794 and 1797; d. 1809-10; estate not settled until 1822; wife was (Martha]

"Thomas Smith, son of Joseph and Leannah Smith, b.14 Feb. 1775"
.....This HAS to be our Thomas in Barren Co.KY and Hndrks.Co.IN, b.1770-80 (1830 cns. Hndrks.Co. IN; b. VA acc.to lvng. chn.in 1880]

[Nancy Shirley, wfe.of Thos, b. 1 Nov 1779 VA; d. Hndrks.Co.IN aft.1850 cns.]

"LEWIS SMITH, son of Joseph and Leannah Smith, b. 27 Feb 1777"
.....[Lewis m. Nancy Shirley, d/o Arge Shirley?...More about Lewis below.]

Joseph Smith: b. VA--appears to be about age of Argeland Shirley, who was christened 1756, Northumberland Co.VA
m. Leanna Smith c.1770 VA
d. 5 Apr. 1826 Scott Co. KY -- noted in minutes of Long Lick Bapt.Church, Scott Co.KY....[will try to get LWT or record of heirs from Scott Co.]

1. Besides 3 sons above, COULD also be parents of Moses and Elisha (below).

2 .Had assumed this Joseph was probably the "Jeziah" named in Caleb Smith's LWT, because "Joseph" was in Brd.Run and Turk. Crk. Churches, and "Jeziah" was not.

Is that assumption too far fetched? If Jos. is not s/o Caleb, there are other possibilities...see Caleb's VA ancestry below.

3. If Caleb is not father of Benjamin Smith, perhaps Joseph is?

Add'l Brd. Run Bapt. Church records - Fauquier Co.VA
1. Found on membership list that Caleb Smith was dec. before 1783, therefore apparently was same as Caleb who d.1777-78 in Pr.Wm.Co.VA

2. Also Lettice Smith on the membership list died 1 Oct 1783 and is not the same as the Lettice d.of Caleb who married Benj. Northcutt in SC.

Correction: Turk. Crk. Bapt. Church records - Abbeville Co.SC
Concerning info already sent, I realized I had assumed "Mary Smith" was the wife of James Smith, s/o Caleb and Sarah. I noted that James Smith was dismissed for KY with no wfe. mentioned. This Mary could have been his sister.

Mrs. Watson, however, adopted a son, named Virgil S., whom they educated and who for three years was a successful school-teacher. Mr. Watson is, in his political views, a republican, and in religion both he and his wife are adherents of the M. E. church. He is a successful agriculturist, and, in connection with farming, largely handles registered Essex hogs and Short-horn cattle. His farm is quite neat in appearance, is well improved with substantial farm buildings, and comprises 100 acres.

.....

WILLIAM J. SMITH, a native of Lincoln township, Hendricks county, Ind., and still a resident of the place of his nativity, was born January 16, 1829, and is a son of Joel and Susan (Smith) Smith, natives of Marion county, Ky. Thomas Smith, the father of Joel, was born in North Carolina, but in 1794 became a pioneer of Kentucky, where he lived until 1828, when he bought eighty acres in Lincoln township, Hendricks county, Ind., and farmed until his death, which occurred about the year 1840. He had married Mary Shirley, and had born to him a family of ten children, all now deceased. Joel Smith, the seventh child in the above family, was born in Kentucky in 1799, and came to Hendricks county in 1827, entering eighty acres in Lincoln township, to which he subsequently added, by purchase, 200 acres additional. His wife bore the maiden name of Susan Smith and became the mother of nine children. In politics, Joel Smith was a democrat, and late in life became a member of the Christian church, in which faith he died in 1880, having been preceded to the grave by his wife in 1864.

William J. Smith was reared on his native homestead, was educated preliminarily in the common schools and also attended the college at Crawfordsville. In 1851, he engaged in mercantile business at Brownsburg, and later entered the saw milling and lumber trade, which he has continued to carry on in Kentucky, Tennessee and Indiana until the present time, having in operation a mill at Brownsburg. Mr. Smith is very prominent in the community and is quite active in the republican party, as well as a respected member of the F. & A. M. He first married, in 1853, Miss Mary E., daughter of Asa Kaywood, and the union was blessed with the birth of three children, viz: Charles F., Sylvester E. and Thomas G. After the death of his wife, October 24, 1866, Mr. Smith chose for his second life companion Mary E. Holloway.

..... (See chart)

THORNTON F. GRAHAM, a prosperous farmer of Lincoln township, Hendricks county, Ind., was born here September 20, 1853, and is a son of Thornton F. and Maria (Newham) Graham, the former of whom was born in Kentucky about the year 1803, but who came to Indiana when a young man and purchased eighty acres in Lincoln township, Hendricks county, and for some years carried on a tannery in connection with farming, and at his death owned a tract of 360 acres, on part of which our subject now resides. His children, six in number, were named John A., Daniel S., William, Priscilla A., Thomas G. and Thornton F. (our subject). The last-named was reared a farmer, received a good education, and married Mary Pugh, who is now deceased, leaving one child, Mary B. Mr. Graham is a democrat in politics. He is the owner of eighty acres, and resides on and cultivates 100 acres of the homestead in addition, and is regarded as one of the most enteprising young agriculturists of the township.

Dear Ruth,

Thanks for your latest packet of information. As usual it contained a wealth of interesting information. I was particularly interested in seeing the way you put together your "theory" about the four SHIRLEY brothers. I think that I can provide some of the information that you asked for to fill in some of the gaps.

C2 According to census records, both Ezekiel SHIRLEY and his wife Dulcina SHIRLEY were born about 1775 in Virginia. Ezekiel died in Boone Co, Ind in 1864 and Dully the next year, also in Boone Co, Ind. Their children were (prob.) Dickinson (I wonder whose surname that was), Elias, Elisha, Benjamin, James, Maria, and Amelia. I am reasonably certain about all of these except Elisha. From census records it appears that there may have been as many as 3 boys and 3 girls who didn't survive childhood. This is not unlikely as Ezekiel and Dully were supposedly married at the age of 17. I am sending along the information that I have about this family in case any one is interested. This is data that I collected about 4 years ago before I knew anything about the parents of either Ezekiel or Dully, and I haven't taken the time to fill in some of the holes and put the information in a more meaningful form.

C6 Malinda SHIRLEY, wife of Presley N. THOMAS, is buried in the Mt. Tabor Cemetery near Fayette, Perry Township, Boone County, Indiana. Her tombstone reads Malinda THOMAS, mother of Frances SMITH, died Feb. 8, 1873, aged 84 y.

I will send you worksheets giving you the children of some of the other families that you asked about. However, other than the information about Ezekiel's family, most of this came to me second and third hand, and I really don't know the sources for some of the data. I hope that some other members of the group will be able to furnish information about these families and include the sources.

As you know, I have a particular interest in Benjamin SMITH who married Susannah SHIRLEY B4. Benjamin SMITH was born in Virginia, his two oldest children were born in South Carolina and the rest in Kentucky, and he appears in both Scott County and Barren County, Kentucky, before ending up in Boone and Hendricks Counties in Indiana. For these reasons, I feel that there is a very good chance that his family may have been part of the group who left Virginia for South Carolina and then Kentucky. Also, two of his children were named Aaron and Caleb. Because of all this, I would very much like to know more about the Caleb SMITH, who died in 1778 in Prince William County. Could you send me the information that you have and/or put me in touch with someone who might be able to help me in this regard.

This has been an interesting winter in Indianapolis. So far we have had just over 50 inches of snow (22 is normal) and we are less than 7 inches away from the all time record set in 1978. Butler University didn't have classes today (That's how I'm managing to get this letter written). We also missed 2½ days last week, 1 day the week before, and several days during the first semester. The weather in Indianapolis may not be good, but it's not boring either.

But us of today and began to doubt if it was true.???? Since your letter and pages on family, I believe you have the true story. Dear Mrs. Shirley,

Received your letter and hope I can be of some help. You'll notice that Aaron's son Daniel was married to Leannah. I do know that Daniel died at a rather young age and his wife remarried. She and Mr. Shirley had a son Peter Shirley whom I remember quite well. I do not remember Great Grandfather's Shirley's given name.

Many of these early family members are buried in Mt. Tabor Cemetery on St. Road 267 north of Fayette, Ind.

My friend, Rosemary Peterman, was the lady that gave you my name.

Sincerely
Hortense (Smith)

The story of Aaron SMITH & wife Frances Thomas,s story goes like this.She was part or all American Indian and his family dis-inherited him for marry ing her.We only know they came, from the south, somewhere?? Some thinks they came from New Orleans,LA. He also ~~chand~~ changed his name, from WADE to SMITH after he came to Boone,Co.Ind.

MARY J CRAIG
806 MONROE ST
MONTEZUMA IN 47862

The reason we think this, is where they came from, is because our only wealthy kin, had them traced back there, by a lawyer. But before he was able to send this information, to ones in Ind. he dropped dead.

I do know there are, a lot of WADES in that area and have written to some of them.? But learned nothing from them. They either didn,t know, or was not telling.

Aaron SMITH told them, they came from south and had to bring a ~~milk~~ MILK cow with them, for the baby. They wrapped the milk cows feet, in old rags as the rough trail was so hard, on her feet. Cutting them and causing them to blee

This is as far back, as this family goes. I thought the link? with kentucky in a few records, enclosed was strange.? I have thought maybe they lived in KY. for awhile, before comming on, to Boone, Co. Ind. where they homesteaded some farm land and is still in family today. As it was bought at differn times though the years.

Note Mother wrote much of this at the age of eighty five from her own memory and with the help of Dad. Ihave copied this from her notes and verified it from a book I had compiled some time ago with her help and with some of the dates and names that Uncle Homer gave me. Ihave all this information made up in two books, copied by hand, for John Lee and Mary Ellen.

I have tried to add the names of the younger generation as they come along. Ih I have always enjoyed this hobby of 'geneology' and have tried to put the imformation of my elders down on paper so that their knowledge would still be available when they are no longer here.

I hope that every one that receives a copy of this will appreciate the effort of mother's and Uncle Homer's in keeping it.

This part of the geneology of the Smith Family is not complete but I have no wish at the present time to continue it . So I am passing this on to all of and if you wish to add or to correct it so much the better. Mother had lots of these names so I thought I would put it in this booklet ,too. I have been in the process of putting this information together over a period of years. Mother had put lots of on paper some years ago and then turned it over to me.

I hope I have not made too many mistakes in getting it on paper. With me ,I have to have things on paper if I want to remember it or to have it right. Perhaps you will not use it too much but as we all get older I am sur we use it as we have the Turpin book. This is nothing to compare with that but it will be useful at times.

Any way I give this to you and hope you will enjoy it!
I wish you a joyous Thanksgiving and a Merry Christmas!

MOTHERS DAY 1948

As a special Mother's Day program in 1948 the program ,Mary Garner ,the program chairman, decided to use the idea"This Is Your Life "for the program. She chose mother as the mother for the one whose life would be revealed.After a great deal of planning this is the program for the morning and her part of the talk she was to give. Ruth copied it from Mary's paper so part of the paper is more of an outline rather than the complete message.

The program was quite a success and mother was quite overwhelmed to be the center of so much attention. Bethesda responded in an enthusiastic way to help make it a success .

This is your Life as given by Mary Garner

"Today we honor you as our ideal mother 'Christian) with a program we call "This is your LIfe"

We could say so many ,many nice things about our ideal Christian Mother as a fine friend , true wife , devoted mother and a good neighbor,but her years among us has proved those qualities.

In homoring her we honor all our own Christian mothers today. Most lives have had lots of happiness and some sadness but today we are going to bring in some of the happy . .years.

In Choosing Ola Everett we thought of the part her family had taken in our church and our communityl life. Her husband and three of her children have taught in public school in this community and most of us or our children have gone to school to one of them.

Ola had a family of ten children . Six of the ten have been members of this church . So dear frèend , this is your life.

Viola May Turpin , dughter of Harvey and Permelia Turpin, was born in Boone county,January 26,1873.

There were six children in this familyof whom three are still living. So first to come into your life today is sister Flora Hauhn and huaband,Tennis of Indianapolis ,Indiana.They have recently celebrated their Golden Wedding Anniversary,August 14,1948.

Next ,Homer Turpin and wife ,Ethel, are no strangers to us as they live in Fayette , Indiana.

Now two of your girlhood friends are supposed to come into your life and be seated near you. They are Lala Pennington and Myrta Parker. Now here comes Lala but Myrtle sends regret"She can'T be here

1893

In this year ,John F. Everett comes into your f life. Remember! Of course you do . Your wedding! You were 20 years old then . You spent your honeymoon at the worlds fair in Chicago.

The most important date in any woman's life is her family.Yes these are their birthdates .

1894-Ruth ,the oldest child couldn't be hereas she and her husband Dorsey Bolt live in Virginia but here is a gift that arrived for you from them.

L1896-Gerald and his wife ,Josephine now live in Atlanta Georgia. His son and grandson will represent them today.

1899- Marjorie is happy to be near enough to be here and she and Herman will take their place in your life. Marjorie's scholl, where she teaches in Perry Central was over last week so maybe she will be seeing more of her.

1901- Elva-, now we couldn't do without her in this church. For many years she has been our clerk. And a little bird told me that she bakes the best angle food cakes in the community.Now she and her husband, Earn Ellis will take their places in your life.

1904-Ernest and wife ,Betty are in Ohio but have remembered you with these beautiful red roses.

1907-Lem and his wife, Evelyn, are now living in Seattle ,Washington and have sent a gift to remember you today.

1902 - Frank and Edna are now coming into your life. We all know themand are glad they have a part in our community. Frank lives in the old home place down the road from mother and dad. He's the only one of the four boys in this good old Hoosier state . These were busy years but no doubt ,as you look back on them they were the happiest of them all.

Song---- -

1919 - Remember the year you became a Home Economics member (club). Mrs, Vivian Weddle , their treasurer, represent them in 'This is Your Life '. This plays an important part in your life.

Now comes your grandchildren.

1922- Elbert Gerald ,Jr. The oldest son of Gerald and Josephine, and his wife Virginia are vacationing in Florida.

1924- chester , second son of Gerald and Josephine, lives just a few miles away from you with his wife, Helen , and son, Kenneth Lee. Gerald was in the first World War and he and both sons , were all in World War II.

1930- Now Joyce Joan Herring comes into your life. She needs no introduction for she is here for Sunday School and Church most every Sunday and plays for Sunday School.

Dec ember 25,1930- Remember that date!Yes, that's the year that Johnny Ayers arrived in time to spoil your family's Christmas plans.

1933- Mary Ellen turns the pages of your life. She is our faithful secretary here in Sunday School.

Then in Ernest's Family there arrives Phillip, Susan Lynne, Dale Francis and Sharon Ann.

In Frank's family there is Sherman, James Dean and Gale Francis.

Karen Ann Benson , Daughter of Alice and Bert Benson of Seattle Washington lives too far away to be here today but sends greetings.

1943- Fifty years have passed since your wedding date . Your Golden Wedding will always be remembered. Lots of relatives , friends and neighbors came in to help you celebrate.

Song "Always"

A big event,of course, was the first great grand child.

1948 - Kenneth Lee Everett , son of Helen and Chester and he is here to help you celebrate.

Poem "Remembrance " by Flora E. Haubn

Last but not least in your life come neighbors and you have been blessed by some good ones. Some could not be here and have sent greet ings. Let's turn back to the year ,1897. Remember that year. One of your neighbors came from Virginia and stayed with your in your home. So he is in your life a long ,long time. Elmer Scott now comes into your life . Now the Scoot family, Dorothy, Ivan and the Dickey's , Ova and Raymond.

There were the Penningtons, Edwards, and the Wrights. You have a greeting from one of them now , Otha Gore. The Henry's Cecil, Agnes and Family, Laura Herring, Mrs. Denton and many others have helped to make your life.

The Church and Community will always remember you as our"Church Mother "

And the way your family hold you in their lives is better said in Proverbs 31-28

"Her children arise up and call her blessed, her husband also and he praiseth her "

ABOUT LEWIS SMITH
[Argeland Shirley died 1818. Among his heirs was a daughter NANCY SMITH. (LWT)...note that Lewis and Nancy Smith were both listed #3 on the membership list; which indicates Nancy was wife of Lewis. Problems

1. Is Thomas s/o Joseph the same as Thomas who m. Nancy Shirley, d/o Thos.& Molly (Grubbs) Shirley?

2. Is Lewis Smith the husband of Argeland's dau. Nancy?

3. Did Thomas and Molly (Grubbs) Shirley have a son Elijah? (named in Turkey Creek minutes when receiving letters of dismission; and reported in Great Crossings Church as deceased by 1800.

4. Who is Benjamin Smith? (m. Susanna Shirley, d/o Richard, d.1796 Scott Co.)
   a. Son of Caleb Jr.? ...It's possible. Knowing that Sarah had Chloe 1772 is a clue to her age. Could be mother of Benjamin b. 1769.

   b. Son of Joseph? -- It's possible; but I doubt it. No sons or grandsons named Joseph. Also there's a chance Jos. is a little to young.

   c. Son of James and Mary? Possible. Benjamin's first son was named James.

5. Is Joseph the same as "Jeziah" in Caleb Jr.'s LWT? Have not found a Josiah in any records--church or otherwise--yet. If Joseph IS "Jeziah", then he doesn't appear to have been the oldest son of Caleb and Sarah.

   Caleb's LWT leaves his still and blacksmith tools to son Isaac if he came home from the army; if he didn't, then Jeziah was to have them.

   Son Jesse was to have the "land I now live on." The balance to be divided equally among the rest.

   Son James and wfe.Sarah were to manage the real estate "for the benefit of" Sarah and the daughters and sons: Jeziah, Nimrod, Aaron, and Benjamin.

   Can we infer that the four sons named in the last paragraph were probably minors in 1777-78?

   Can we tentatively conclude that Jeziah/Joseph is younger than Isaac, James and Jesse; but older than the other sons named?

   [There is an early James Smith in Barren Co.--on Tax lists 1797 and 1797 with land on Fallen Timber Creek. The 1810 cns. shows 11101 21?00. He appears to be associated with Hugh Smith, Joseph Smith and John Smith. Records of this James drop off after 1810.]

What can you tell me about these people?--

2. Elijah Smith who m. Mahala Ann Smith, d/o Thomas and Nancy Smith. Do not find them in Hndrks./Boone Cos.IN

3. Leannah Smith who m.1st Daniel Smith (s/o Aaron > Benjamin); m. 2nd James Shirley, (s/o Ezek. & Dolly > James and Arge Shirley). She was b. 1830 KY. [Was she b. in Owen Co.KY? Was she d/o John Smith and Elizabeth Roberts? If so, who was John Smith? Where did this information come from? Could this John be s/o Moses, d.1831? 4. Nancy Smith who was 2nd wife of James Smith (s.of Benj.) b. c.1800 KY and m. c. 1818.

5. Leanna Shirley on the Great Crossings Church membership list.

6. Juliann Shirley who was 2nd wife of Menoah Smith, s/o Benjamin. Juliann b. 14 Oct 1834 in IN. Apparently died before 1850, when Menoah was living with his son Benjamin T. and Benj.'s wife Mary.

7, 8. Malinda and Nancy Shirley, 2nd and 3rd wives of Martin Shirley (s/o Thos.Jr. > Thomas and Molly Grubbs). Malinda and Nancy said to be sisters. Malinda m. Martin 31 Apr 1842; d. c.1847-8. Nancy m. Martin bef. the 1850 cns.; she b. 1828 KY.

9. Robert Smith who m. Permelia Dale 15 Aug 1825 Barren Co.

Unrelated Smiths

[Have found only 2 marriages involving Smiths unrelated to Benjamin and the rest of this group of Smiths--

1. Henrietta Smith, (d/o Dan'l > Aaron > Benjamin) m. Warren Smith 14 Feb 1872 Boone Co.IN. Warren, s/o William Smith, b. 1814 MD

2. Robert Shirley, (s/o Jas > Robt.& Eliz > Jas. & Thos) m. Nancy M. Smith 5 Apr 1855 Hndrks.Co.IN. Nancy was d/o Raphael (Ralph) Smith who was b. 1811 VA. Robert and Nancy were apparently divorced by 1880...so it says in the cns. All the children were living with Robert, including Annie, the youngest, ae 7 yrs.

   Coincidentally, Nancy's mother was SARAH TOUT, a first cousin of Walt's gr.gr.grandmother Lydia Tout who m. John Money!

Dear Marion,

I have completed the 10 hour cursory report and projected a continued research calendar. I found so much contradicted information as I began the search that I had to revise my direction of search. My first calendar was to locate with land plats the exact location of Benjamin Smith and Richard Shirley to determine Benjamin Smith's in and out migration into South Carolina. I found that I could not identify the family units you referred to in your overview with any certainty.

The next step was to build a basic foundation for the research in Abbeville County that could document family units. This may not be the direction or search you desired. My purpose did not conform to your purpose, I found, after re-reading your assignment and restrictions of the research time period--which I had misinterpreted in my first survey of your correspondence. If your aim is to restrict the research with a small number of years--the results will be negative on all counts. If this is your goal, I do understand why you will not continue this search.

However, if you wish to solve your genealogical problems in order to continue back into time--you must continue the research using the methodology necessary to achieve your goals. This type of research calls for an in-depth survey that cannot be restricted in limits except for the time limitations of the search. There is an example of the methodology that I use in a recently published article in the National Genealogical Society Quarterly, Volume 79, Number 4, December 1991 ***John Bond vs. John Bond: Sorting Identities via Neighborhood Reconstruction.*** This is a continued article of one previously published in Volume 78, Number 2, June 1990 ***Backtracking through Burned Counties: Bonds of Louisiana, Mississippi, Georgia, and the Carolinas.*** Perhaps your genealogical library subscribes to this Quarterly.

I have not presented too much factual information in this cursory report other than set up a foundation for continued research. The continued search will provide evidence that will offer hypothesis or documentations on the Smith and Shirley family units. The report will servey you now or later in your pursuit for continued documentation.

I have enclosed three maps that will identify the locations of the membership of Turkey Creek Church and Poplar Springs Church. The land they owned will be located on the creeks or tributaries also marked on the maps. I am also enclosing a reprint of another article on South Carolina research for your use whether I continue the search for you or you continue on your own. This article presents the records available for search in South Carolina.

Marion, I did extend this search up to and above 10 hours. My charge will be for 10 hours. Continued search would require at least 30 to 40 hours for each report. Research is timely and in-depth. I really do not know what your desires are in this area. I will wait to hear for you whether to continue or discontinue the search on the Benjamin Smith and Richard Shirley.

I really did enjoy the intrigue of your families and it is indeed a challenge. Good luck in your continued pursuit. There is nothing more rewarding as finding the next clue to lead you backwards into time and information about your ancestors.

Sincerely yours,

GeLee

SHIRLEY REPORT #1

30 June 1992

FOR: Marion O. Shirley
1007 Fredrick Drive, South
Indianapolis, IN 46260

PURPOSE: South Carolina genealogical research on the Shirley and Smith family of Abbeville County to (1) document the wife/wifes of Benjamin Smith and (2) prove that Benjamin Smith of Abbeville County is the son of Caleb Smith of Prince William County, Virginia.

ASSIGNMENT: To evaluate the information received from the client, make a cursory survey of additional records and project a calendar for additional research.

INVENTORY OF DATA RECEIVED: 6 November 1991 - Letter with an overview of the Shirley/Smith problem and Benjamin Smith born 15 Sep 1764 [sic] - died 5 Sep 1853 family group sheet. Other family group sheets received: Benjamin Smith born 15 Sep 1769 - died 5 Sep 1853; Aaron Smith born 22 July 1800 - died 14 Sep 1877. Overview of Shirley's Associated with Benjamin Smith; Benjamin Smith with abstract; 25 May 1992 - letter with new information re: Benjamin Smith & Thomas Smith.

LIMITATIONS: Client requested that research be limited to years from 1783 through 1795 in Abbeville County. Information with this time frame would have to come from more records created either before that time or afterwards--if any at all because of the devastation of the Revolutionary war and the state seated government in Charleston. Few records were created or recorded between those years. This writer assummed that the client would approve of information found that would support the preponderance of the evidence of the Smith/Shirley family units during the time frame of limitations. With this in mind the evaluation and search began within the known and proven methodology used by this writer to solve similar genealogical problems.

PROJECTED CALENDAR: This writer projected a time frame of 5 to 10 hours. The client sent a retainer of $150.00.

SUMMARY: Enough evidence is found within this report to continue an in-depth study to make conclusive evaluations based on legal records, i.e. land and probate records, that are available for research. (See the Analysis Section at the end of the report.)

REPORT OF EVALUATION AND RESEARCH RESULTS:

PHASE I: CLIENTS INFORMATION

1. PRELIMINARY EVALUATION:

"Benjamin Smith - Abstracts of what I know:"

KENTUCKY. Item 1 and 2. Numerous references are made to tax list and church records outside of South Carolina with out specific dates, documentations or all names. It is unknown by this writer if the information came from primary or secondary sources. The information cannot be used effectively for comparison to South Carolina information without the whole record.

Item 3. The document or citation for ***Richard Shirley's*** estate is not given. The writer assumes that he died intestate and that his next of kin, ***Thomas Shirley,*** was named the administrator of his estate. This writer must assume that the settlement papers names ***Susannah Smith,*** wife of ***Benjamin Smith*** and ***[--?--] Holzclaw*** the deceased wife of ***Henry Holzclaw*** as daughters of ***Richard Shirley.*** The death date of ***Richard Shirley*** was given as 1796, yet the Scott Co. KY date is given as 1798.

Sarah not deceased —

SOUTH CAROLINA. South Carolina did not require marriages licenses until 1 July 1911.

Turkey Creek Church (Abbeville) records: This writer does not have a copy of these records--only a copy of the Leah Townsend's, ***South Carolina Baptists 1760-1805.*** Does the client have a copy of this record? The names and dates could be vital to the documentation of the Smith/Shirley family units. Much of the information sent by the client appears to be suppositions made from information of records in her possession but not named as secondary or primary sources.

Benjamin Northcut married ***Lettice Smith,*** daughter of ***Caleb Smith,*** (d. Pr. Wm. Co. VA 1777?). Since ***Benjamin Northcut's*** estate can be found in Abbeville County Probate Office as will dated 22 March 1832 and proved 8 December 1834--the census records are available for a forty year period before his death. Not only can his birth year be speculated upon, but the chance of one of his children living through the 1880 census should be researched for his birthstate to verify the statement of a Virginia residence in the time frame quoted by the client. ***Benjamin*** did have a wife ***Lettice*** named as living when he wrote his will 22 March 1832. Her age and destiny should be research to further document the clients statement. Whole family research must be used in the methodology of the Smith/Shirley search of this time period to accummalate enough evidence to support the client's hypothesis--that is unless she already has the proof. A quick scan into the Laurens County published records did not reveal a single entry by ***Benjamin Northcut.*** However, Townsend's ***Bapists*** states that he was ordained to preach in Mountain Creek Church in July 1796.

Visit G. Northcutt & Church Rolls

Other church references will be used as clues in future research.

1790 SC Census: A ***Benjamin Smith*** is not listed in the 1790 census of Edgefield County. There is a ***Benjamin Smith*** listed in the Abbeville County, SC censuses of 1790, 1800 and 1820.

SC Land Records: mentions Shirley's Land Grants received 1784-1792 with no other information or references given.

REPORT OF EVALUATION AND RESEARCH RESULTS:

VIRGINIA. ***Fauquier/Pr. William Cos.:*** There is no documentation as to dates or complete names given to make any comparison for this writers research in South Carolina. One date of 25 October 1783 was given for a group of surnames, but no distinct personal names given.

Item 1. LW&T of ***Caleb Smith*** is not a complete abstract of the will. In comparison to the will abstract in clients letter of 25 May 1992, the proven date of the will is given as 7 September 1788 indicating that ***Caleb*** did not die until circa September 1788. A true evaluation of his will cannot be made genealogically until all information is taken into account. The first abstract states that son ***James*** is the administrator which would indicated that ***Caleb Smith*** died intestate rather than testate (will naming executor). No reference is given where the information was obtained from. Research evaluation and use cannot be made until a study of this estate is made from a full copy of the estate papers or will.

Item 2. The estate papers of ***Thomas Smith,*** deceased in Prince William County are definately of great importance. Research should determine ***where*** in South Carolina his heirs were and a time frame for this information. Only then can a true evaluation be made in relation to ***Caleb Smith*** and his heirs. ***Thomas and Caleb's*** relationship should be determined since they are from the same county in Virginia and their heirs move to South Carolina.

Item 3. Comments on the "The Mitchell Pearman Families by B. S. Mitchell" will be made later in the evaluation.

Item 4. Linda Cheek's book should be used as clues only as it is the research or submissions of others and not documented.

Item 5. Deed notation concerns land located in Pendleton County. Whole family research would identify and document the persons or parties mentioned in this deed.

Final comments on this paper concludes that even though the Shirley Association has researched over 10 years - the documentation of the ones in Abbeville and/or Laurens counties is not given or mentioned--particularly in the colonial time frame. The same comments are true of the Smith families in relation to the Shirley families of this era.

Comments on the paper ***Shirleys Associated with Benjamin Smith*** paper will not be made at this time because this writer would have to use the data as speculation and clues until more documentation can be evaluated.

The NEW INFORMATION re: BENJAMIN SMITH & THOMAS SMITH of 25 May 1992 will be used as the research in Abbeville and Laurens counties proceeds. Rather than spend the time evaluating the overviews which lacks research documentation with dates, this writer will make comments on the remaining time of a cursory survey of records checked in this report and submit a Calender for continued research.

The information received from the client was prepared as an overview of the Smith/Shirley genealogical problems without the supporting documentation. Genealogical research depends on the methodology of using legal records or preponderance of the evidence of a number of records that support or weigh more in favor of a statement than opposed. All statements made in any evaluation must present a citation of where the information can be found, if they are to be acceptable documetation.

CURSORY RESEARCH RESULTS:

PHASE II: CURSORY SURVEY OF RECORDS IN ABBEVILLE COUNTY, SC

1. TURKEY CREEK BAPTIST CHURCH

The first records created that can be documented of the ***Benjamin Smith/Richard Shirley*** family units in Abbeville County are their memberships and removal entries in the minutes of Turkey Creek Baptist Church located in Ware Shoals, South Carolina. Leah Townsends, ***South Carolina Baptist 1670-1805*** (Baltimore, Md.: GPC Co., Inc., 1978) pages 182-192 list some of the early memberships and removals. The church history also relates to the Popular Springs Baptist Church across the Saluda River in Laurens County, where many of the family units also had members--some moving there later. The repository for the Baptist records are located at Furman University in Greenville, SC.

NOTE: To eliminate confusion later in the report it should be noted that Abbeville County, SC has a major loss of land (deeds) records. It is necessary for the researcher to develop methodology that will prove the most effective research in the available records for a county. Although the deeds of Abbeville County were destroyed by fire in 1872--the original plat surveys and grants were housed in the Surveyor Generals Office and are exant for colonial and state records.

1730-85 - records housed in Charleston County.

1785 - Abbeville County created.

Ninety Six District Courts located in Abbeville 1769-1785.

The probate records are extant as well as the Equity Records. However, it should be remembered that a very small percent of the population wrote a will. The particular time frame of the Smith's residence falls within the newly conversion time from of a provincial government to a state/county government and recovery from the revolutionary war in a Indian frontier settlement.

Laurens County SC records are extant. The co-existing (Popular Springs & Turkey Creek)) churches and neighborhoods require research in Laurens County as well as Abbeville.

The most effective genealogical methodology in a partially burned county in South Carolina is to reconstruct a known neighborhood by using the plats and/or land records that are available. Land records are the most acceptable documentation in genealogy today and South Carolina has the most complete extant set of land records of any of the original colonies. The search will begin with the known ***Benjamin Smith*** who met and married his wife ***Susannah Shirley,*** daughter of ***Richard*** and ***Dorcas Shirley*** in Abbeville County, South Carolina circa 1789. The membership of the Turkey Creek Baptist Church will supply the documented neighborhood. According to the birthdates of ***Benjamin Smith,*** he would have been between 20 or 25 years old when he married. ***Benjamin*** was 19 or 24 years old when ***Caleb Smith*** of VA died circa 1788.

2. 1790 SOUTH CAROLINA HEADS OF FAMILIES, ABBEVILLE COUNTY

The 1790 Abbeville County Heads of Families was taken 12 May 1791 by ***Elijah McCurdy***. This census was taken after the Congress passed a nine month extension to South Carolina. The summary of the 1790 census of 27 October 1791 did not include South Carolina, but was later tipped in.

According to ***Benjamin & Susannah (Shirley) Smith's*** childrens birthdates--the census of a ***Benjamin Smith*** in 1790, Abbeville County is not the ***Benjamin Smith*** of this search, who had a son ***James*** born 29 July 1790. ***Benjamin & Susannah*** could be enumerated in the household of ***Richard Shirley*** in 1790.

NOTE: As a rule the early South Carolina census enumerations were made in the geographical locations following rivers and streams from house to house. The general order (unless alphabetized) of the census enumerations constitutes neighborhoods. When the census records are used as dry land road maps, the land record references places people in specific geographical locations and time frames. The 1790 Abbeville census listings will be used for references to locate land surveys that will correspond to the neighborhood of ***Richard Shirley*** and his neighbors.

SC Index 1790 census listings of ***Benjamin Smith*** NOT including counties of Charleston, Colleton, Georgetown, Lexington, and Darlington are: p. 61, Abbeville; p. 82 Pendleton; p. 69 Greenville. ***Caleb Smith*** 1790, p. 91, 92 & 93, Union County.

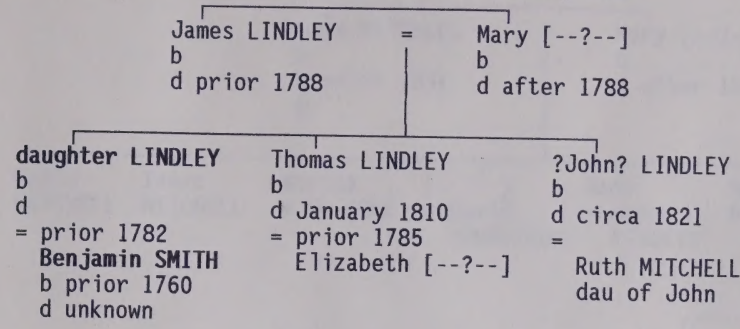
3. ***BENJAMIN SMITH*** of Laurens and Abbeville Counties.

A. Overview of the JAMES LINDLEY'S Family Unit



B. Sarah M. Nash, ***Abstracts of Early Records of Laurens County, South Carolina 1785-1820*** (Fountain Inn, SC; privately printed), hereafter called Nash's, Laurens County Deed Book. D:185. 10 March 1788: ***Benjamin Smith*** of Abbeville County desposeth that about 1782 Captain ***John Irwin*** came to said ***Smith's*** house & demanded a Lease & Release made by ***James Lindley*** to ***Alexander Irwin*** for 150 acres on Reaburn Creek from said ***Smith's*** mother-in-law then living at his house, widow of ***James Lindley,*** deceased. ***Benjamin Smith*** has been shown the land by ***James Lindley*** who said it was sold to ***Alexander Irwin,*** brother of Captain ***John Irwin*** who lived northward. He, ***John Irwin,*** expected it to come by heir ship to his oldest son. ***A. Blackburn,*** J.P. & ***Robert Maxwell,*** J.P. Greenville SC. Recorded 23 June 1792.

C. Nash's, Laurens County SC Deed Book D:186. 21 March 1788: ***Mary Lindley*** saith on oath [above deed D:185], also that she remembers very well that ***Alexander Irwin*** came to the house of her deceased husband many years ago and bargained with him for a tract which she believes to be the same land. ***Jonathan Downs,*** J.P., ***Joseph Downs,*** J.P.

NOTE: The above ***James Lindley*** was a Justice of Peace in the Colonial era and died during the Revolutionary War. He could have been the Tory, Captain ***Linley*** who was hung at Goudy's Station near Ninety Six according to ***William Smith's*** Pension Application S4855 (b. on br. Shenandoah River VA 1746).

Residents on Raburn, Reedy & Walnut Creeks of Laurens County are closely connected to the persons living on Turkey Creek or its tributaries of Abbeville County. It is necessary to show the heirs of a ***John Mitchell*** at this time for further documentation of intermarriages within the families.

A ***William & Lucy Smith*** sold land to ***Samuel Boyd*** 8 January 1819 [DBk K:251], who sold the land to ***David Boyd*** in May of the same year [K:258]. The land description had as neighbors ***Burket Davenport, David Turner, Mary Mitchell, Elijah Smith, John Mitchell***--relationships unknown.

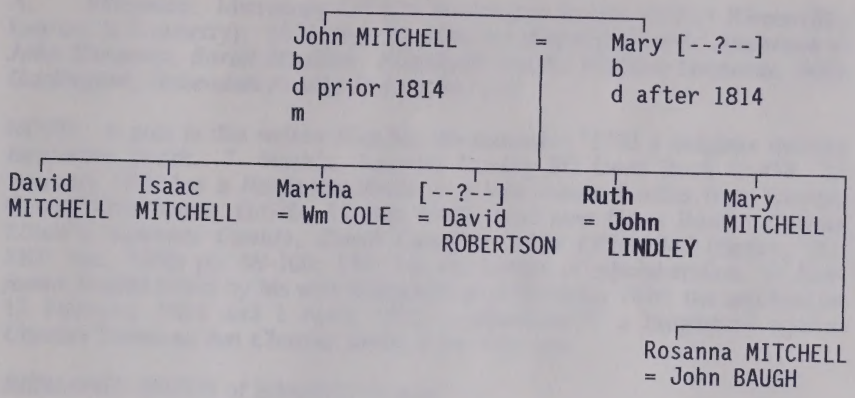
D. OVERVIEW OF JOHN MITCHELL'S Family Unit



COMMENT: Information on a Mitchell family was speculated on in the clients overview concerning a Nimrod Mitchell. The following references document the above family units Nash's, Laurens County SC Deed Book K:383; K:200; K:77; K:76. Laurens County Estates of Thomas & John Lindley. The Nimrod Mitchell family unit's documentation is unknown to this writer.

There is another deed that again reveals the interrelationships between the residences of Laurens and Abbeville's counties.

E. Nash's, Laurens County SC Deed Book C:105. 13 March 1789: ***Nimrod Mitchell*** to ***Benjamin Smith*** for £60, sold 200 acres on Long Branch of Reaburns Creek originally granted 20 August 1769. Witnesses: ***William Mortimer, And. (?) Arther. And. (?) Arthur,*** J.P. Recorded 4 January 1790.

Benjamin Smith sells the above land on the same day [DBk C:105]. Neither deed identifies a county residence or has a dower right relinquished by a wife. However, the land is in the immediate neighborhood of the John Mitchell/James Lindley family units. He could be the same Benjamin Smith enumerated in the 1790 census of Abbeville County on branches of Turkey Creek and Saluda River.

Nimrod Mitchell was an adult in 1769, probably with a wife and child. He would be contemporary to John Mitchell who died circa 1814.

4. ***BENJAMIN & ELIZABETH (SIMMONS) SMITH*** of Laurens County.

A. Reference: Microcopy GF 336 Washington Equity District [Greenville, Laurens & Newberry]: 1823, No. 25 ***Charles Simmons, David Anderson*** vs ***John Simmons, Sarah Madden, Elizabeth Smith, William Simmons, John Garlington, Nehemiah Franks & June*** his wife.

NOTE: A note in this writers files has the statement "1793 a daughter married ***Benjamin Smith...***" Nash's, Laurens County SC Deed Book G:458, 24 February 1802 has a ***Benjamin Smith*** as a land owner 4 miles from Laurens County Courthouse; G:676, 11 July 1803, land near Cross Road. Colleen Elliott's, ***Laurens County, South Carolina Wills 1784-1840*** (Easley, SC: SHP, Inc, 1988) pp. 99-100; 140; has the Letters of administration of ***Benjamin Smiths*** Estate by his wife ***Elizabeth*** on 5 February 1816; the apprisial on 12 February 1816 and 1 April 1822--a statement in a Judgement against ***Charles Simmons*** that ***Charles Smith*** is her only son.

5. ***BENJAMIN SMITH*** of Edgefield County.

A. Hendrix & Lindsay's ***The Jury Lists of South Carolina 1778-1779*** (Greenville, S.C.: Privately Printed, 1975), p. 88 - Below Ninety-Six Courthouse lists a ***Benjamin Smith*** in the neighborhood that is on the southside near or adjoining the Saluda River. He is probably the same ***Benjamin Smith*** [DBk 3:191-7] who sold his land granted to him 15 March 1771. He also conveyed land in 1779 [DBk 3:235-241]. Land on Tarapin Creek granted to Benjamin 3 April 1786 [DBk 8:373-375; DBk 12:612-615].

NOTE: Their is evidence of two adult ***Benjamin Smith's*** in the same general geographical area in the colonial era of Ninety Six District in the Abbeville/Edgefield/Laurens counties area concentrated near the south and north sides of the Saluda River. The same evidence is true for a ***Richard Shirley***--although comments will not be made in this report on his references because of time limitations place on the evaluation for a projected calendar.

CURSORY RESEARCH RESULTS:

ANALYSIS: The cursory survey of printed sources, indexes of primary and secondary records disclosed family units of Benjamin Smith's and Richard Shirley's in the colonial era of South Carolina residing in same genealogical locations as the documented family units of Benjamin Smith and his father-in-law Richard Shirley. This fact along would qualify a search to identify and document the family units. Until the research in Abbeville and Laurens counties has identified and placed into family individual units--documentation for Benjamin Smith's parents cannot be made. A profile for Benjamin Smith would be:

1783-89.

- Benjamin Smith would a minor by law under the age of 21. With this in mind--in normal circumstances of this time period, he would be living in his parents home if they were living. Caleb Smith's will's of 1777 of Prince William County VA was not proved until 1788 indicating the time of death.

- If Benjamin Smith was orphaned and considered a minor, he would choose a guardian for himself and probably be living with his guardian or a relative.

- Whatever Benjamin Smith's circumstance were between 1783 & 1789, he would have resided in the neighborhood of his wife to be, Susannah Shirley during their courtship.

- Susannah Shirley's father Richard either lived in Virginia or South Carolina when she was courting Benjamin Smith. Circumstantial evidence indicate that Richard Shirley (either he or his father) was living in Abbeville County/Laurens County in 1785 and was a Charter Member of Turkey Creek Baptist Church.

- A Richard Shirley can be documented living in this general area area as early as August 1768 on Raburn Creek.

- A Benjamin Smith can be documented as marrying a daughter of James Lindley's who lived on waters of Raburn Creek.

PROJECTED CALENDAR FOR CONTINUED RESEARCH:

Colonial and State Plat surveys of land owners in the known neighborhood of the Turkey Creek Membership and 1790 Abbeville and Laurens counties census surveys for the purpose of locating and documenting specific ownership and neighbors of Benjamin Smith and Richard Shirley during their residence in South Carolina. The records should reveal relationships, time, place and length of residence in South Carolina.
